2. Tax Preparation Services Page

Header Section

- Short intro:

“Accurate Federal & State Tax Filing for Individuals & Families.”

- Big CTA: **Apply for Tax Filing**

Description

Action Plus Tax helps clients file their federal and state tax returns with accuracy and confidence. This service includes detailed review of income, deductions, credits, and personal tax situations to ensure the best possible outcome.

What This Service Includes

- Filing your income tax return
- Federal & State filing
- Handling credits such as child tax credits, earned income credit
- Maximizing deductions such as mortgage interest, educational expenses, medical expenses, charitable contribution deductions

👉 This is inspired by how industry leaders help clients claim all eligible credits and deductions while handling income from multiple sources.

3. Individual Income Tax Filing

What It Covers:

- Traditional W-2 income reporting
- 1099 income (contract/self-employment)
- Filing jointly, separately, or as head of household
- Dependents and credit eligibility

How It Helps Clients

- Ensures correct income reporting
 - Helps claim the **maximum refund legally possible**
 - Avoids mistakes that could trigger IRS questions
-

4. Simple & Standard Return Filing

This is designed for clients with uncomplicated financials:

- W-2 only
- Standard deduction (no business/freelance income)
- Quick and efficient filing process

⚡ Fast process with minimal document requirements.

5. Self-Employed & Gig Worker Tax Filing

Many individuals today earn through freelance, rideshare, digital platforms, or other gig work. This service includes:

- Handling 1099-NEC, 1099-K
- Self-employment tax calculations
- Social Security & Medicare taxes for self-employed

👉 This mirrors how larger tax providers handle non-standard income situations.

6. Cryptocurrency & Investment Tax Assistance

Clients who have:

- Crypto transactions (BTC, ETH, NFTs)
- Capital gains/losses from trading
- Investment income reporting

Action Plus Tax will categorize crypto activity and investment income and help report it accurately — just like professional tax services do for digitally traded assets.

7. Tax Extensions

If a client isn't ready to file before the deadline, Action Plus Tax can help them:

- Apply for a tax extension
- Ensure IRS deadline compliance

This gives clients peace of mind and prevents penalties for late filing.

8. Amended Tax Returns

Sometimes clients need to correct a previously filed return due to:

- Missing income
- Incorrect filing status
- New deduction eligibility

Action Plus Tax will prepare and file an amended return, updating the IRS with correct information.

9. Tax Resolution & IRS Issue Support

Clients facing issues with the IRS will get:

- Expert analysis of tax problems
- Personalized IRS resolution plans
- Direct handling with IRS to resolve issues

This service is for:

- Unpaid taxes
- Notices and penalties
- Complex tax situations

👉 Modeled after professional tax resolution offerings.

10. IRS Audit Support & Representation

If a client receives an IRS audit notice, Action Plus Tax will help them:

- Review audit letters
- Collect and organize documentation
- Communicate with IRS on client's behalf
- Provide detailed responses

Clients can get **audit security and representation** — relieving stress and complexity from dealing with tax authorities.

11. Tax Planning & Consultation

This is a proactive service where experts help clients plan for:

- Future tax years
- Retirement tax strategies
- Income projections
- Maximizing deductions and credits

This helps clients **minimize tax liability** and plan ahead, improving financial outcomes.

12. Bookkeeping Services

(If offered by Action Plus Tax)

Bookkeeping includes:

- Recording financial transactions
- Bank statement reconciliation
- Monthly reports
- Expense tracking

This supports businesses by keeping their records clean and audit-ready.

13. Payroll Services

For small business clients:

- Employee payroll processing
- Tax withholdings
- Pay frequency setup
- Payroll tax reporting

This ensures compliance with payroll tax requirements and smooth payment cycles.

14. Business Valuation

A specialized service where Action Plus Tax helps business owners understand the worth of their business through:

- Financial analysis
- Asset valuation
- Market comparison

Useful for selling, investing, or planning business growth.
